HLT43021 – Certificate IV in **Allied Health Assistance**

For Domestic Students

About the Course

The Certificate IV in Allied Health Assistance equips students with the information and skills necessary to give assistance to allied health practitioners, such as physiotherapists and occupational therapists.

Students are taught how to plan and manage therapy programmes that provide comprehensive treatment to individuals with rehabilitation requirements in the health, aged care, disability and any other settings. As a Physiotherapy or Occupational Therapy Assistant, you can make a significant and positive impact on people's lives by using exercise and movement to substantially enhance patients' quality of life and physical capacity.

Course Details

Duration:
6 months full-time or
12 months part-time

Training Hours:
720 Hours

AQF Level:
4

Course Delivery:
Blended

Campuses:
Melbourne, Perth,
Sydney, Brisbane

The course is provided through Blended mode of delivery. It will be delivered over 720 hours including theory, self-paced structural e-learning, simulation training.

Job Outcomes

With the Certificate IV in Allied Health Assistance (Physiotherapy and Occupational Therapy) in hand, you will be able to work professionally as a:

- Occupational Assistant
- Nutrition Assistant
- Diversional Therapy Assistant
- Speech pathology assistant
- Allied Health Assistant
- Therapy Assistant
- Physiotherapy Assistant

This course follows Competency-based training which is the concept that individuals learn at different rates as well as through different modes and different environments and that the skills and knowledge that a student has acquired previously are able to be formally recognised.

Mode of Delivery

Blended Delivery

20 contact hours per week will be delivered through synchronised Online learning which includes on – campus simulation based training and Professional experience placement.

Besides the above structured learning, students are advised that they will be required to do approximately 15 hours per week of unstructured learning.

The blended mode of delivery will accommodate students across Australia. Simulation-based training and assessment will be conducted online and/or through real-time video streaming. Face-to-face simulation-based training and assessment may be conducted if required.

*Please call your respective campus locations for more details

Entry Requirements

There are no formal entry requirements for this course, however applicants should demonstrate ability to perform tasks as required by the industry.

IHNA Admission requirements

- 18 years of age and above at the time of commencement of the course*
- Successful completion of an Australian Year 12 qualification or equivalent
- Mature age students (22+) may also be considered without the minimum educational requirements. Each case will be reviewed individually to ascertain the suitability of the student to meet course requirements.

Additional Requirements

Language, Literacy and Numeracy (LLN) Requirement

- All students are required to undergo the LLN test offered by IHNA for their suitability to be determined for undertaking the course successfully.
